F 0921 Level of Harm - Immediate jeopardy to resident health or safety Residents Affected - Some	During a concurrent observation and interview, with Management Staff C, on 11/3/21, at 4:15 p.m., the Dining/Activity Room door was the exit door to the smoking area in the backyard and had two Wanderguard alarms on each side. When Management Staff C was asked to check these Wanderguard alarms using the remote, the alarms did not go off. Management Staff C stated he knew the Wanderguard alarms for the Dining/Activity Room and B-wing doors were not working when he checked them in the morning. When Management Staff C was asked how long the Wanderguard alarms were not working, he did not reply.		
	On 11/3/21 at 3:15 p.m., the Department identified an Immediate Jeopardy situation with respect to Environmental Condition of the exit doors in the facility.		
	On 11/3/21 at 4:38 p.m., the Facility Administrator submitted a Plan of Action (IJ Removal Plan).		
	On 11/3/21, at 5:05 p.m., the facility's IJ Removal Plan was approved.		
	A review of the facility's IJ Removal Plan, dated 11/3/21, at 5:05 p.m., indicated the following actions to address the Environmental Condition non-compliance listed in the IJ Template:		
1. Non-compliance			
	A, B, C and D Wing door-alarms will be left on and alarm key will be given to charge will be locked at all times.		to charge nurses and the doors
	Front door locked at all times and h	as wander guard sensor.	
	Dining Room door will have a door	alarm on.	
	B-wing door and dining room door-	new alarm will be placed.	
	2. Potential for serious injury, serior	us harm or death	
	In-service for staff not to use the A,	C and D wing doors unless for emerge	ency purposes.
	In process of having wander guard	system upgrade.	
	3. Need for immediate action for sa	fety	
	A-wing door-alarm will be left on an all times.	d alarm key will be given to charge nur	ses and the door will be locked at
