F 0697 Level of Harm - Immediate eopardy to resident health or safety Residents Affected - Few	c. On 10/11/22 at 8:42 am, Record Review of resident # 1's progress note dated 09/29/22 at 3:15 pm .calle Omnicare pharmacy to follow up on Percocet Pharmacy did not fill, unable to read signed script faxed wher resident arrived 09/28/22, had called and spoke with staff earlier that day and was refaxed to backup pharmacy in town and driver would deliver at 7 pm. At 10:39 pm it had not arrived; driver had gone to back up pharmacy to pick up medication and it was not filled because only one tablet on hand. Medication arriver at 9:25 pm, resident medicated at 9:28 pm for pain .			
	d. On 10/11/22 at 8:42 am, Record Review of resident # 1's Physical Therapy Treatment Encounter Note dated 09/29/22 at 12:51 pm documented . Pt.[patient] in bed. The Pt was unable to tolerate sitting up fully c transferring out of bed due to no pain meds given since hospital discharge and she was in excruciating pair Nursing was working on getting pain meds for patient and is aware of issue .			
	e. On 10/11/22 at 2:20 pm, OT # 1 was interviewed and asked to tell surveyor about OT (Occupational Therapy) services provided for R # 1 on 09/29/22. OT # 1 stated, I did the evaluation, resident # 1 came in with a total shoulder repair. She was very pain affected, had a terrible night, for the first 24 hours. She didn want to get out of bed.			
	f. On 10/11/22 at 2:30 pm, a phone interview was completed with PT #1. The Surveyor asked PT # 1 to tel about PT (Physical Therapy) services provided for R# 1 on 09/29/22. She stated, R#1 couldn't tolerate anything much at all that day. I would say pain level was an 8 out of 10. Resident # 1's facial expression w so that you could see the pain in her face, tired, and kept verbalizing how bad she was hurting. I went to th nurse, she said they were waiting on the pharmacy. That seems to happen quite a bit, more than once. On she got the pain meds, she worked with me fine.			
	g. On 10/11/22 at 2:40 pm, The Surveyor interviewed and asked Licensed Practical Nurse (LPN) # 1 if resident # 1 had any pain on 09/29/22 and if any pain medication or Sertraline was given that day. LPN#1 said yes, I didn't give any pain medication or Sertraline.			
	admission process was and if she of with a hard script for Percocet from worked until 1:00 am that day. The When the narcotic count was done, the Pharmacy, Medical Records ha contacted the pharmacy, as soon a Surveyor asked, if the order sent to	rveyor interviewed and asked Register completed R#1's admission? She state the hospital. I got all the orders sent to next day I worked the 3:00 pm to 11:00 , I asked if we hadn't received Residen d refaxed to backup pharmacy, they or is it came in, I logged it in the narcotic I of the pharmacy on admission on 09/28/ cy? She stated, I usually should but the gy information isn't listed.	d, yes, I did. Resident # 1 came o the Pharmacy before 10:00 pm. 0 pm shift as medication nurse. t # 1's pain medication and I called hly had one pill and didn't fill it. I og and gave it immediately. The 22 had been confirmed as received	
	i. On 10/11/22 at 4:00 pm, an interview with the Administrator and RN # 2 was completed. Both were asked for the policy and procedure for Admission medication ordering and if it was acceptable for a post-surgical resident to not have pain medications available until 27 hours after admission. RN# 2 stated there was a policy and would look for it. Both stated it was not acceptable. The facility should have medications for new admissions in the building within four hours of admission.
