F 0658	Ensure services provided by the nursing facility meet professional standards of quality.		
Level of Harm - Actual harm	**NOTE- TERMS IN BRACKETS H	HAVE BEEN EDITED TO PROTECT C	ONFIDENTIALITY** 42222
Residents Affected - Few	Based on interview and record review it was determined the facility failed to ensure Staff 11 (CNA) followed professional standards of practice regarding the dietary needs for 1 of 3 sampled residents (#500) reviewed for accidents. This resulted in Resident 500 eating solid food and she/he choked, which resulted in her/his death in the facility. The facility identified the noncompliance and immediately initiated a plan of correction which resulted in disciplinary action and additional care plan training with instructions to follow the resident's care plan for all staff who provided care. This incident was identified as meeting the criteria for past noncompliance. Findings include:		
	Oregon Board of Nursing Rule [DATE]		
	Authorized Duties and Standards for Certified Nursing Assistant 1		
	(6) Standards of Care for Certified Nursing Assistants. In the process of client care the CNA shall consistently:		
	(d) Follow the care plan as directed by the licensed nurse		
	Oregon Board of Nursing Rule [DATE]		
	Conduct Unbecoming a Nursing Assistant		
	A CNA, regardless of job location, responsibilities, or use of the title CNA, whose behavior fails to conform to the legal standard and accepted standards of the nursing assistant profession, or who may adversely affect the health, safety or welfare of the public, may be found guilty of conduct unbecoming a nursing assistant. Such conduct includes but is not limited to:		
	2) Conduct related to achieving an	d maintaining clinical competency:	
	(a) Failing to conform to the essential standards of acceptable and prevailing nursing assistant performance of duties. Actual injury need not be established.		
	Resident 500 was admitted to the facility on [DATE] with diagnoses including Dysphagia (difficult to swallow) and dementia.

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

	An [DATE] at 9:45 AM progress note by Staff 5 (RN) revealed on [DATE] around 8:55 PM she overheard other staff say call the nurse, stood up and observed Resident 500 in her/his wheelchair choking. Staff 5 was informed the resident choked on a regular textured sandwich given to her/him by Staff 11. Staff 5 immediately began abdominal thrusts and instructed staff to call 911. 911 was called on [DATE] at 8:57 PM. A CNA assisted Staff 5 with back blows to Resident 500 and continued with abdominal thrusts. Resident 500 was unresponsive, placed on the floor and her/his airway was cleared. CPR was initiated and food particles came out of the resident's mouth. Emergency personnel on the phone continued to give instructions and CPR was continued until EMTs (Emergency Medical Technicians) arrived at 9:08 PM but Resident 500 did not regain a pulse. EMT's called the resident's time of death at 9:11 PM.  The facility's [DATE] investigation summary and revealed the root cause of Resident 500's death was the care plan was not followed by Staff 11. Staff 11 made sandwiches for several residents and did not review food textures for Resident 500 or other residents prior to handing out the sandwiches. Resident 500 was given a sandwich by Staff 11, who left the resident unsupervised. Staff 11 was immediately counseled and placed on administrative leave following the incident.  A statement written and signed by Staff 6 (Staffing Coordinator) on [DATE] revealed on Monday, [DATE] she met with Staff 11 at the facility to do orientation which included a review of CNA/NA standards of care, Kardex (plan of care), the one page care plan location and the master copy of the diet textures location.		
	On [DATE] at 12:22 PM Staff 6 stated she was responsible for hiring and scheduling CNAs. Newly hired and agency staff were given orientation by Staff 6. Staff 6 revealed Staff 11 was agency staff from another state (Texas) and reported to the facility on [DATE]. He filled out paperwork, was given access to the electronic medical record, given CNA standards of care, shown how to access the Kardex and other basic information. Staff 6 revealed Staff 11 read and signed the standards of care form.		
	On [DATE] at 10:42 AM Staff 11 stated he met with Staff 6 on [DATE]. He revealed Staff 6 gave him the paperwork with CNA duties, asked him if he knew how to access Kardex and the electronic medical records which he confirmed he knew. Staff 11 confirmed he made sandwiches on [DATE] and gave a sandwich to Resident 500. He went to another hall and upon return observed Resident 500 on the floor and observed staff performing CPR on Resident 500. Staff 11 confirmed he did not check anyone's care plan that night for diet textures, including Resident 500.		
	On [DATE] at 1:15 PM, Staff 1 (Adresident care plans.	ministrator) confirmed it was an expecta	ation that facility staff reviewed
