The ADON stated CNA #1 had told her he had been in the resident's room taking vitals and when he took off the blood pressure cuff he had bumped [the resident's] breast. In addition, the ADON stated CNA #1 asked if he could listen at the door when the resident was interviewed. The ADON instructed CNA #1 he could finish his charting in the breakroom and then instructed him to vacate the facility; however when she exited the resident's room after the interview, CNA #1 was standing in the hallway. The ADON stated when she woke up the resident for an interview the resident asked Are you here because of the man that came in with the flashlight, sat in the recliner, and grabbed my breast? f. Review of the skin assessment dated [DATE] and timed 11 AM (approximately 12 hours after the incident) showed the resident had Bruising to left breast. Blue/purple circular bruise with smaller circular bruises that are darker. No other skin issues noted. Assessed breast last night at approx 2230 [10:30 PM] and no bruising was noted. Today bruising to left breast is visible. Review of the skin assessments dated 10/3/21 and 10/10/21 noted the bruises were resolving and were light purple and yellowish in color. g. Interview with LPN #3 on 10/14/21 at 2:10 PM revealed the resident was adamant that CNA #1 had | | | |

| Residents Affected - Some | Based on medical record review, observation, staff and resident interview, and review of the facility's investigation report, the facility failed to ensure residents were free from misappropriation of personal property for 3 of 5 sample residents (#3, #4, #5) who reported missing money to the facility. Corrective measures were implemented by the facility and compliance was determined to be met on 10/4/21. The findings were: 1. Review of the 8/17/21 quarterly MDS assessment showed resident #3 had a BIMS score of 15 out of 15 (indicating the resident was cognitively intact). The resident resided on hall 3. The following concerns were identified: a. Interview on 10/14/21 at 12:44 PM with the resident revealed s/he kept his/her wallet in the top drawer of a dresser located next to the bed. Further, when s/he went to bed on the night of 9/28/21 the wallet contained \$33, and in the morning only \$4 was left. The resident stated s/he suspected a certain staff member of stealing the money, however s/he could not be certain and the staff member was no longer employed. Observation at that time showed a lock had been installed on the resident's dresser drawer. 2. Review of the 7/14/21 quarterly MDS assessment showed resident #4 had a BIMS score of 13 out of 15 (indicating the resident was cognitively intact). The resident resided on hall 3. The following concerns were identified: a. Interview on 10/14/21 at 12:15 PM with the resident revealed his/her daughter had given him/her \$200 which was kept in a watch box and in a dresser drawer. The resident stated s/he had spent some of the money, however \$100 was missing which was reported to the staff member supervising smoke break. Observation at that time showed a lock had been installed on the resident's dresser drawer. | | |

| | 3. Review of the 9/16/21 quarterly MDS assessment showed resident #5 had a BIMS score of 14 out of 15 (indicating the resident was cognitively intact). The resident resided on hall 3. The following concerns were identified: | | |
| | a. Interview on 10/14/21 at 1:50 PM revealed s/he had \$42 in his/her wallet which was kept in a dresser drawer. The resident noticed it was missing on Casino Day and reported it to the lady in charge of it all. Observation at that time showed a lock had been installed on the resident's dresser drawer. | | |
| | 4. Review of the facility's investigation showed the money in all three cases went missing during the night shift on 9/28/21. The investigation began on 9/29/21. The investigation was able to identify 1 employee that worked hall 3 the night the money went missing. The employee denied the allegation and resigned effective immediately, however the facility was unable to prove the employee had stolen the money. | | |
| | | /21 at 11:30 AM confirmed resident #3, bing track of their money. In addition, the bloyee had stolen the money. | |
